1.	Letter No. A-3-Sel 63-30-Dy 28-2-3 Dc Tumkur. Forwards for orde ~~copy of~~ letter no 284-30 Dy 20-12-31 from the Presi-Dist-Bd Tumkur stating that the returns of births & deaths should be prepared & sent to the Director of Health from the Dy Comrs office
	The contention of the Dist Board President is that under Rule 11 of the Rules framed with G-O no 10529 Sani 5-7-21 Dy 14-3-28, the returns have to be prepared in the Taluk offices and scrutinized & consolidated in the Dist office and that this work was however being done in the Dist Board office as the Dy Comr happened to be the ex officio President of the Dist Board. Now the Tumkur Board has got a Non official President it is stated that the taluk returns are not taken in time & it is required that the returns may be consolidated in the
Dcop A.	

NOTE—Contn. Sheet

Dr office. The Dy comr's however states that if the work is to be done in his office great clerical labour will be involved.

2. Under the rules the returns have to be consolidated in the Dr office. In view of the circumstances stated above, the practice observed in the other Dists may perhaps be ascertained. It is also for consideration if the returns cannot with greater advantage be consolidated by the Dr Surgeon or Medical officer instead of in the Dr office.

If approved the Director of Health will be consulted &c.

Serial No. 4.

e 700-2-2-2.6 File (iv)
18-3-31

I am in agreement with the contention of th President, District Board, Tumkur. The crucial point is that so long as the Patel of a village is the ex-officio registrar of births and deaths and the Amildar of the Taluk collects, compiles and forwards the statements to the District Office and the Deputy Commissioner exercises the disciplinary control over these officers, the compilation of Vital occurrences in the District is best done in the office of the Deputy Commissioner.

(b) Under Regulation No. III of 1918 providing for the registration of births and deaths in rural tracts, ~~entire responsibility~~ for compiling of vital statistics vests in the Deputy Commissioners. Under Section 45, Clause II (a) of the Mysore District Boards Regulation of 1926, all that is within the discretion of the District Board is, to provide for the registration of births and deaths within the District, subject to such conditions as the Government may impose in this behalf.

(c) Till the constitution of the District Boards with Non-official Presidents, no inconvenience was experienced in respect of this work, as the Deputy Commissioner was in charge of the District Board as well. Now that the Deputy Commissioner has no direct responsibility in the routine administration of the District Board, difficulties have cropped up. The whole question of reporting, collecting and compiling of vital occurrences in urban and rural areas is therefore to be further

WD 02553—50,000—GPB—8-7 30

File No. 4212 of 193 | General and Revenue Secretariat

investigated, the existing Regulations and Rules having been framed without reference to each other. To harmonise them is by no means an easy matter. The Rules and Regulations have to be suitably amended keeping however in view the fundamental fact that the Patel remains the unit responsible officer under the direct disciplinary control of the Revenue Department.

OFFICE OF THE THIRD MEMBER 23 MAR 1931 No 6048

(d) I may in this connection suggest that a committee may be appointed consisting of the Director of Health as President, with the Deputy Commissioner of Bangalore, the President, the Commissioner and the Health Officer, Bangalore City Municipality, the President of the District Board, Bangalore and Mr. B.Sreenivasa Iyengar, President, Anekal Municipality and one or two as Government may nominate as members, to go into the whole question and make suitable recommendations.

(e) As this would take some time and pending consideration of the above proposals, the compilation of vital statistics may continue to be done in the same offices where they are being done now.

Director of Health.

3rd Member

23.3.31

For the present they may be compiled in the D.C's office. The D.C's of Bangalore & Kolar may be consulted as to the best method of improving registration. We may [illegible] a Committee if necessary later on.

according to rules 8—11 of the rules issued with post note no G. 10529/ San 57-21-37 dt 14.3.1928. It is now for consideration whether this Question may be placed before a special Committee as proposed by the Director of Health or the Standing Committee of the Council which is proposed ~~to be~~ to meet at mysore during the ensuing Dasara the Director of Health being asked to be present.

29/9/31

35/ The only point for consideration in this file is, whether the compilation of the ~~vital statistics~~ relating consolidated return of Vital statistics should be done in the Distt: office ~~or thereafter~~ or in the office of the Distt: Board.

36/ The existing practice is not quite uniform. In the Distts of ~~Bellary~~, Kadur and Chitaldrug, the compilation is now done in the Distt: Board office. In the Kolar Distt: it is done by the Distt: Health officer with the help of a clerk from the Distt: Board. In all other Distts: it is done in the Distt: office. All non-off: Presidents of Distt: Boards who were consulted are of opinion that the compilation should

A+B.

NOTE—Contn. Sheet.

WD 02563—GPB—50,000—8 7 30

done in the Distt: office as laid down in the Rules, while the Dy: Comrs are for entrusting the work to the Distt: Board. It has to be noted that the provision for the registration of births and deaths is one of the optional duties of the Distt: Board. (Vide section 45, 2(a) of the Distt: Board Regulation). But Regulation III of 1918, for the Registration of Births & Deaths in Rural Tracts casts the duty of making arrangements for ~~the~~ such registration on the Dy: Comrs: of the Distt: Under sections 4, 5 and 6 of that Regulation it is the D.C. that is responsible for appointing Registrars of Births & Deaths for supplying them with the necessary registers and for supervising their work.

Under the Rules issued with notification No: G.4499-Sen: 57-21-31 dated 1.11.1927, the Amildar has been given specific duties for the Compilation of taluk statistics & forwarding copies of the same to the D.C., Distt: Board &c. (Rule 11). He is required under Rule 17 to report to the D.C. for making temporary arrangements for the work of an absentee registrar. The Distt: Board does not come in anywhere, ~~with~~ either in the Regulation or the Rules. It has also been specifically stated in Rule 12 that each return received from the Taluk office should be

Serial No.

scrutinized in the Distt: office and that the D.M.O. or the Distt: Health officer shd review the returns once a quarter. It may not be out of place to mention here that this rule was inserted (about the scrutiny being made in the Distt: office) in spite of the recommendation made by one of the earliest non-Offl: Presidents of Distt: Boards (Hon. N.S. Narsimhayya) that the word "Distt: Board" should be substituted for "Distt: office". The existing rule was made apparently under the advice of the then Law Secy, for the reasons set forth in his note of 22.8.1917.

(a) As the entire staff responsible for the preparation of Vital statistics is under the D.C., it seems reasonable that the Compilation of Distt: statistics should be done in his office rather than in the Distt: Board office. This is the opinion of the Director of Health also.

(b) The question of constituting a committee proposed by the Director is for orders. It may perhaps lie over for the present.

No. Ag. Spl-63-30

Enc. Nil only

OFFICE OF THE DEPUTY COMMISSIONER,
TUMKUR DISTRICT.

Dated Tumkur, the 28th February 1931.

FROM

G.B. Hel re, B.A., LL.B., L 4218

Deputy Commissioner,
Tumkur District, Tumkur.

To

R. Ranga Rao, Esquire, B.A., B.L.,

Secretary to the Government of Mysore,
General
Department,
Bangalore.

SIR,

mr K R RG 28/3/31

In forwarding herewith letter No.G.C. 284/30-31 dated the 20th December 1930 from the President, District Board, Tumkur, in the matter of the compilation of the returns of Births and Deaths, I have the honor to state that it is the practice in all the Districts to get monthly returns from the Taluk offices and a consolidated return prepared in the District Board office and sent to the Director of Health in Mysore. The President of the District Board, Tumkur, relying on Rule 11 of the Rules of the Mysore Births and Deaths Registration Regulation III of 1918 sanctioned in G.O. No. 10529/Sany. 57-21-37 dated 14-3-1928 has written to me that the compilation of the returns should be undertaken in the Deputy Commissioner's office. If this work is to be done in this office it will involve great clerical labour. Under Rule 12 it is said that the Sanitary Inspector (Officer) of the District or the District Medical and Sanitary Officer will prepare every quarter a short memorandum reviewing the vital statistics of the District for the quarter and submit copies thereof to the Deputy Commissioner, President of the District Board, and Sanitary Commissioner. The work was being attended to till now by the District Board office and the President now says that it should be done in the District Office on the ground that some

of His Highness the Maharaja of Mysore,

Bangalore.

The Deputy Commissioner,

Tumkur District, Tumkur.

Sir,

Adverting to Government notification No. G.1382/Sar.Sa-1-37 dated 14-3-1928 ~~enacting~~ issuing rules for the registration of Births and Deaths, I have the honour to state that as per rule 11 of the rules the monthly returns received from the Taluk Offices have to be scrutinized by the District Office and the consolidated returns sent to the Director of Health from that office.

2. Though the above rules were framed in the year 1928, the returns were being compiled in the District Board Office till now as the Deputy Commissioner was the ex-officio President of the District Board. Now as the Board is presided over by a non-official President and as some of the taluk offices were not sending the returns regularly, the Deputy Commissioner was in this office letter No. E7/80-31 dated 22-11-1930 requested to arrange for the compilation of the said returns in their offices as required by rules referred to above. He was requested to say that the work cannot be undertaken in this office. A copy of his letter is enclosed herewith for perusal.

I request you to kindly arrange to the compilation of statistics in the District Office as per rules existing in the matter.

Sir,

I am directed to invite your reference to Rule 11 of the Rules issued with Government Notification No.G.10529/San.57-21-37 dated 14th March 1928 regarding the registration of Births and Deaths. It is reported that although the compilation and scrutiny of the returns of Births and Deaths received from the Taluk Offices should under that rule be made in the District Office, the practice varies in different Districts and that such compilation and consolidation is done in many District Board Offices instead of in the District Offices. Govt. consider that the practice should be uniform in all Districts and that any one office should be held responsible for the correct compilation and transmission of the monthly returns of Vital Statistics in the rural areas to the Director of Health. I am therefore to request you to be so good as to favour Govt. with your opinion about the office to which the work can be appropriately entrusted and the best method of enforcing the responsibility for the due performance of its duties in this regard.

OFFICE OF THE DEPUTY COMMISSIONER,
KOLAR DISTRICT.

Dated, Kolar, the 28th May 1931

FROM

A. V. RAMANATHAN, ESQ., B.A.,
Deputy Commissioner,
Kolar District.

To N.Madhava Rao,Esq.,B.A.,B.L.,
CHIEF SECRETARY TO GOVERNMENT OF MYSORE,
~~*Department*~~,
Bangalore.

SIR,

Compilation of vital statistics - for views.
===00===

With reference to your letter No.G.10639-54/Sany.82-30-1 dated the 22nd April 1931 calling for my views on the above, I have the honour to state as follows:-

2. The Rules issued with Notification No.G.10529/Sany.57-21-37 dated the 14th March 1928 contemplate the compilation of the returns received from the taluks, in the District Office. In this District from the period when the Deputy Commissioner was ex-officio - President of the District Board, this work was being done in the District Board Office.

With the appointment of the Chief Sanitary Inspector, this work was entrusted to him by giving a clerk to assist him. From the time the post of the Chief Sanitary Inspector was abolished the District Sanitary Officer is compiling this return with the assistance of a clerk of the District Board Office. This seems to be advantageous as the District Medical and Sanitary Officer would be in a posttion to adopt measures to investigate the causes of unusually large number of deaths in any specified area.

The returns from the taluks are sent to the Sanitary Office where they are compiled and transmitted to the Director of Health through the President, District Board.

Under Section 45(1) of the District Board Regulation, measures necessary for public Health, Sanitation and other local services are the obligatory functions of the District Board and under (2) (a) of the same section they may provide for registration of Births and deaths.

The only thing required, in addition, is that a copy of the consolidated return should be directed to be sent to the Deputy

Deputy Commissioner also for reference and record simultaneously with its transmission to the Director of Health through the District Board.

I have the honour to be,
Sir,
Your most obedient servant,

O.C. Nivaniya

Treasury Assistant Commissioner,
For Deputy Commissioner,
Kolar District.

GENERAL MISCL. 9/5 6 JULY

(Through the Deputy Commissioner, Chitaldrug District.)

Sany 82-30-7

Sir,

With reference to your letter No. G. 10629-54/Sany. 82-30-1 dated the 22nd April 1931 calling for my opinion in regard to the office to which the compilation and scrutiny of the returns of Births and Deaths may be entrusted &c, I have the honor to state that the rules issued under Govt. Notification No. G. 10529 Sany. 57-21-37 dated 14th March 1928 prescribe the checking of the receipt, compilation and scrutiny of these returns in the Taluk and District offices (vide rules 7, 8, 9, 10 & 11)

The practice in this District has been however that these returns are being compiled in the District Board office ~~at present~~

The Deputy Commissioner has been requested to issue necessary instructions to the Amildars in the matter and arrange for the compilation of these returns in the District office from the next official year i.e. from July next in accordance with the instructions issued in the above government notification.

Further, the government order No. R. 5973-6032/342-27-5 dated 3rd March 1930 prescribes the preservation of Births and Deaths Registers in the District and Taluk offices (vide appendix B. 19)

For these reasons, I am of opinion the compilation of these returns may be done in the District office as directed in government order cited above and that the strict enforcement of the instructions contained in Rule ~~12~~ 16 of the rules issued in the

government order of the 14th March in the matter of checking these registers at least once in two months by the Revenue Inspectors would tend to enforce greater responsibilities in this direction.

I have the honor to be,
Sir,
Your most obedient servant,

President.

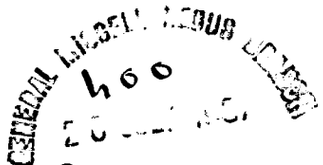
Chief Secretary to Governmentof His Highness
the Maharaja of Mysore, Bangalore.



THROUGH THE DEPUTY COMMISSIONER, HASSAN DISTRICT.

Sir,

Re: the compliation of births and deaths returns.

With reference to your letter No.G.10639-54/Sahy. 82-30-1 dated 22nd April 31, on the subject I have the honor to state that compilation of these returns is being done in this office instead of in the Deputy Commissioner's Office.

On a reference made to the Presidents of other District Boards it is ascertained that this work is being attended to in the Office of the Deputy Commissioner as per rules referred to by you.

As the Deputy Commissioner has control over the Revenue Establishment and Municipalities from which these returns are due, he can exercise necessary powers and take suitable steps in arranging for the correct preparation of the returns and punctual submission thereof. I am therefore of opinion that the compilation of these returns for the District has to be rightly entrusted to the Deputy Commissioners and not to the Presidents of District Boards.

I have the honor to be,
Sir,
Your most obedient servant,
H. B. Gundappa
President.

Sir,

SUBJECT:— REGISTRATION OF BIRTHS AND DEATHS.

With reference to your letter No.G.10639-54/sany.82-30-1 inviting opinion about the office to which the work of registration of Births and Deaths can be entrusted etc., I have the honor to inform you as per Rule 11 of the Rules published in Government Notification No.G.10529/Sany.57-21-37 dated 14th March 1928, the work of registration of vital statistics that was being attended to in this office was transferred to the Deputy Commissioner and that the same is being done in the Deputy Commissioner's office since then. As the District Board has no control over Revenue authorities and cannot take any action on them in case of default in the submission of the returns in time, I am of opinion that the work of compiling the returns in the Deputy Commissioner's office may continue.

CHIEF SECRETARY'S Sany 29 JULY 1931

Sany 82-30-10

Sir,

Referring to your letter No. G. 10639-54/Sany. 82-30-1 dated 22nd April 1931 requesting to furnish my opinion about the office to which the compilation of the returns of Births and Deaths can be appropriately entrusted, I have the honour to state that under Rule 9 of the Notification No. G. 10529-Sany. 57-21-37 dated 14th March 1928 the Amildar is required to send one copy of the Hobliwar statistics to the Deputy Commissioner and another to the President, District Board. As the Deputy Commissioner was the Ex-Officio President of the District Board also, this work was done in the District Board branch of the Deputy Commissioner's Office. Now the compilation is being done in the District Board Office in this District. The returns are being regularly received from the Taluks and there has been no want of promptitude on the part of the Amildars in sending the return to the President, District Board. As the President, District Board, has control over Sanitation and Public Health and has also the necessary funds for the purchase of medicines to adopt the necessary preventive and curative measures in times of epidemics, it would be more appropriate that the compilation should be done by his office. He will be kept informed of the conditions of health in the different parts of the District and have the necessary facility for scrutinising the statistics of births and deaths and to adopt necessary measures.

In these circumstances, I am of opinion that the compilation of these returns may continue to be done by the District Board Office

as

34

as heretofore.

I have the honour to be,

S i r ,

Your most obedient servant,

R C Seshadri

Deputy Commissioner.

N. Madhava Rao, Esq., B.A., B.L.,
Chief *Secretary,*
to the Government of Mysore.
Bangalore.

SIR,

Subject:—

With reference to your letter No.G.10639-54/Sany.82-30-1 dated 22-4-1931 calling for my opinion about the office to which the work of compilation of vital statistics can be appropriately entrusted etc., I have the honour to state that I have consulted the Sub Division Officers in the District and the President, District Board, Bangalore in the matter. The Sub Division Officers are of the opinion that the returns should be consolidated for the District in the Office of the President of the District Board concerned, but the President, District Boafd, Bangalore reports that as the Revenue Department will have full control over the patels who submit the village returns, this Department can take proper notice of any delay in the submission of the returns etc., and opines that as contemplated in rule 11 of the rules regulating the registration of Births and **Deaths** the consolidation may be done in the office of the Deputy Commissioner of the District concerned.

The practice obtaining in the Bangalore District at present is that the village returns are being compiled in the Amildar's Office for the whole Taluk and these returns are forwarded to the District Board Office who submit the consolidated return for the whole District to the Health Department. Section 45 (2)a of the District Board Regulation provides that any District Board may provide for the registration of births and deaths under the conditions stipulated by the Government.

Considering all the circumstances, I am of the opinion that

p.t.o.

these returns should be got from the village patels in the Taluk Offices and consolidated in the Village Panchayet Branch for the whole Taluk and that the taluk returns forwarded to the District Board Office and sent for consolidation in the District Health Office. The contention of the President, District Board. Bangalore that the patels are subject to the control of the Revenue Department and therefore the returns should be consolidated in the District Office is not tenable in so far as the Amildar, who is the immediate Revenue Officer concerned with the patels, is still responsible for the compilation of the Taluk returns. The letter No.L.Dis.A.304/30-31 dated 12/15th May 1931, received from the President, District Board, Bangalore is herein enclosed for your kind reference.

SIR,

Deputy Commissioner,
Bangalore District.

With reference to your letter No. G. 10639-54 Sany. 80-30-1 dated the 22nd April 1931 regarding the question of responsibility etc., in the matter of the compilation and transmission of monthly returns of Vital Statistics to the Director of Health, I have the honour to state that this work can be appropriately entrusted to District Offices in strict conformity with the rule quoted at the commencement of your letter. This arrangement would be a great facility for getting the returns correctly and punctually, as the Patels and Shanbhogues who prepare these returns, are direct subordinates of the officers of the Revenue Department, who could notice their conduct for delay, incorrectness or other slackness and get all sorts of defects rectified, as they have every hold upon them.

I have the honour to be,
S i r,
Your most obedient servant,

V. Venkatappa

B A N G A L O R E.

SIR,

With reference to your letter No G. 10639-54/Sany 82-30-1 dated 22-4-31 calling for my opinion about the office in which the vital Statistics will have to be compiled and the best method of enforcing the responsibility for the due performance of its duties in this respect, I have the honour to state that the monthly returns in this District are being compiled in the office of the District Health Officer. One of the duties of this officer prescrib in G.O. No. G.12618-35/Sany 3-27-2 dated 11-5-28 is to send these returns to the Sanitary Commissioner through the President District Board but in practice these are sent direct to the Director of Health. As the District Health Officer is subordinate to the Deputy Commissioner in all matters relating to the health problems of the rural parts, these vital statistics may continue to be compiled in his office and copies thereof sent to the President District Board, and to the Director of Health, through the Deputy Commissioner to ensure their timely preparation and submission by the village Officers.

Proceedings of the Govt. of H.H. the Maharaja of Mysore.

R e a d -

Rules 8 to 11 of the Rules under the Mysore Births and Deaths Registration Regulation III of 1918 issued with Govt. Notification No.G.10529/San.57-21-37 dated 14-3-1928.

H.I

2. Letter No.A/3 Spl.63-30 dated 28-2-31 from the Deputy Commr. Tumkur, forwarding for orders a communication from the President, Dt. Bd. of Tumkur, stating that the monthly returns of Births and Deaths received from the Taluks be hereafter consolidated in the District Office instead of in the Dt.Bd.offic as heretofore.

Order No. G.3736-5-24

Dated, Bangalore, 10th Nov. 1931.

Rule 11 of the Rules referred to above lays down that the monthly returns of births and deaths submitted by the taluk offices should be scrutinized and abstracted in the District office. In the Tumkur District, however, it is reported that these returns are being compiled in the Dt.Bd. office. The President states that this arrangement came into vogue when the Deputy Commr. was also ex-officio President of the Dt. Bd. and that as the Dt. ~~Bdxx~~ Bd.'s are now presided over by non-official Presidents, ~~they may be~~ compiled ~~by~~ in the District Office itself.

the returns may hereafter be

From the replies received from the Presidents of the other District Boards, who

ere consulted in the matter, it is clear hat the existing practice is not uniform n all the Districts and that the Presi- ents want the compilation to be done ~~in~~ n the District Office itself.

The Director of Health is also of pinion that so long as the Patel of a illage is the ex-officio registrar of births and deaths and the Amildar of the aluk collects, compiles and forwards he statements to the District Office and he Deputy Commr. exercises the disciplinary control over these officers, the -- ompilation of Vital occurrences in the istrict is best done in the office of he Deputy Commr.

Under the Mysore Births and Deaths Registration Regulation of 1918, the duty of making arrangements for the registration of vital statistics vests in the Dy. Commr. Under Sections 4,5,& 6 of the Regulation, it is the D.C. who is responsible for appointing Registrars of Births and Deaths, for supplying them with the necessary registers and for supervising their work.

In the above circumstances, Govt. agree with the Director and the President of Dt. Bd's and direct that Rule 11 of the Rules read above be strictly enforced and that the compilation of District returns of births and deaths be hereafter done in the office of the D.C. alone instead of in the Dt. Bd. office.
